When preparing food for the buffet-style packages, our Executive Banquet Chefs prepare enough food for each guest to go through the buffet line once plus a five percent buffer to accommodate unexpected guests. We make certain that each item on the buffet is replenished until all guests have had a chance to make a plate. Once everyone has been through the line once, your guests may also enjoy any additional food on the buffet line, but we will no longer replenish items that run out. **If you would like your guests to go through the line more than once, please contact NYBP CEO for pricing.**

**Alcoholic Beverages:** NYBP holds a license granted by the New York State Liquor Authority and is held responsible for complying with its regulations. Therefore, guests are not allowed to bring in or remove alcoholic beverages from function areas. Guests under 21 years of age are prohibited from being served alcoholic beverages. NYBP and its employees reserve the right to refuse service of alcohol to individuals that abuse their consumption privileges or violate the law. In an effort to create a pleasurable experience for everyone, shots of liquor are prohibited from being served during open bars.
