NYBP Famous Fish Fry Flight

The Beer Project take on the Western New York fish fry begins with 3 pieces of fresh Atlantic Cod, beer battered and fried and served over a mound of fries on a large platter. Along with our NYBP coleslaw, this unique fish flight lets you pair the fish with two house-made dipping sauces: our Project cocktail sauce and our IPA infused tartar sauce.

But there's more! We give you a mini beer flight right on the plate! This party on a platter comes with three 5 oz. pours of our Lockport Lager, Gameday Belgian White, and our Destination IPA. Cheers!
